URGENT SECURITY ANNOUNCEMENT:

GUARDIAN

I am issuing this urgent alert to inform the public of a grave threat to my life and the mission of the Independent Global Movement Voice (IGMY).

Between the night of Thursday and the morning of Friday, I Survived a targeted attempt on my life. This act was Carried out by a dangerous Criminal Suspect individual well known to both National and International authorities, who wanted to cause murder in Cold blood, acting under the orders from a Bloodthirsty Person, one of the Leaders in Europe who Seek to Silence me and the Independent Global Movement Voice (IGMY).

The Motive for Silencing:

I Suspect that, these threats are a direct response to the Independent Global Movement Voice's Ballistic Missile Speech Currently being drafted for delivery to the United Nations.

Those who profit from global instability and the exploitation of resources are terrified of our movement's vision for:

The immediate Cessation of all wars and global insecurity.

The 20/20/60 Resource Reclamation plan to fund Executive Free Housing and ensure Community happiness.

GUARDIAN

A Call to Action:

These parties are now attempting to implicate me in false issues to justify their mission of assassination. They want me to disappear before my voice can be heard on the United Nations Stage, in the best interest of the Global Community.

It is still a puzzle to me why the United Nations haven't provided me with Security as Previously requested. "Shame".

My humble appeal to the Global Community is this: Do not blink. Rise up and help Stop this madness once and for all. My Speech must be delivered in peace, without Criminal Suspects interruption. "Come rain or Shine", the truth of the (IGMY) will be heard.

"Notice to Agent is Notice to Principal, Notice to Principal is Notice to Agent".

I remain a humble Servant to the Global Community and Champion of the Global Constitution.

With highest regards and humble Sincerity,

Signed,

His Excellency, Mr. Kidima Mubarak Kim

Champion of Common Sense,

Founder of the Independent Global Movement Voice (IGMY).

Author of the Independent Voice Book, Global Constitution.
