The office of His Excellency, Mr. Kidima Mubarak

CHAMPION OF COMMON SENSE, AUTHOR OF THE INDEPENDENT VOICE BOOK, GLOBAL CONSTITUTION.
FOUNDER OF THE INDEPENDENT GLOBAL MOVEMENT VOICE

REF: KM/IGMV/28/26/03/2026.

Date: Friday 27th March, 2026.

THE (IGMV) GLOBAL MANDATE: THE END OF CLEVER RACISM AND THE DAWN OF EXECUTIVE DIGNITY.

(Address to the United Nations General Assembly).

By H.E. Mr. Kidima Mubarak Kim,

Founder, President, and Chairman of the Independent Global Movement Voice (IGMV).

1. **THE OPENING: ANCESTORS AND AUTHORITY:**

"Your Majesties, Queens, Princess, Prince, Excellencies, VIP Colleagues and Members of the Global Community:

2. I stand before you as the Founder of the Independent Global Movement Voice (IGMV).

3. I acknowledge the First Black Indigenous Peoples of Australia—our ancestors—and across the Globe as the legitimate owners of the land, on which we all share.

4. I also acknowledge the Sacrifices made by Jesus Christ, Nabbi Issah, Nabbi Muhammad, Imam Muhammad Al-Mahdi and others.

5. I reaffirm my position as the first politician to recognize the First Black Indigenous Peoples of Australia in the Constitution and the State of Palestine since 2009. To the Australian politicians who acknowledge our people on Websites but refuse them in the Constitution: Shame on you!

6. It makes no sense. The bullying must stop. Enough is enough!."

7. **II. THE SURVIVOR'S TESTIMONY: NO MORE ASSASSINATIONS:**

"I stand here as a testament to divine mandate. I have survived torture, Political assassination attempts disguised as car accidents, and current terrorism against my life by Criminal Suspects in Western Australia.

8.

I stand on the shoulders of giants: Martin Luther King Jr., Malcolm X, Patrice Lumumba, Nelson Mandela, Kwame Nkrumah, Kabaka Mwanga, Omukama Kabalega, Asantehene Agyeman Prempeh,

Kabaka Ssuuna, Kabaka Muteesa, Mahatma Gandhi, Ocheng Oneko, Thomas Sankara and others. I charge this Global Community: ensure the safety zone around my house and well-being is absolute.

9. Never allow 'Evil Assassins' to dim this light. No more assassinations on your watch!."

10. **THE ECONOMIC COVENANT: 20/20/60:**

"The blood spilled in conflict is a debt the global economy can no longer afford. I propose a new diplomatic framework for the world's resources—a reasonable distribution to ensure national stability:

11.

20% for the State to ensure stability.

20% for Global Investors to drive innovation.

60% returned directly to the Global Community of each State.

12. This 60% is a reclamation of God-given land, Mineral Resources, gold, phosphate, nickel, Gas, Petroleum and oil, to mention but a few to provide Executive Free Housing. No human being shall be left without dignity!." You cannot sleep with Dogs in the house when your fellow-human beings are rotting outside in Cold and Hot weather conditions without a shelter.

13. **IV. THE ONE-MONTH BALLISTIC MANDATE:**

"The IGMV hereby issues a direct mandate for Global Reconstruction. Seven-Day Deadline: Every State must provide 6 Experts (Land, Minerals, Energy, Finance, Veterans, and Engineers) to coordinate with IGMV Inspectors.

14. Immediate Construction: Work must commence within two weeks of that deadline. The One-Month Goal: Within 30 days, the Hadzabe, Indigenous Peoples, Homeless, Gaza, Palestine, Israel and all Global Communities, including Military Veterans must transition into new, stress-free Executive environments.

15. Sovereignty: No invasion of any State shall occur without "The Independent Global Movement Voice" (IGMV) permission. Any breach is a Treasonous Act." We also demand that, Racism, Bullying and the Removal of Children from their families should be treated as an act of Terrorism.

16. **V. JUDICIAL REVOLUTION: THE ICC.**

"We demand the abolition of the old Judiciary and its 'Clever Racism' and procedural bias. We call for the establishment of the Independent Concerned Citizen's Court (ICCC) with district branches across the globe. This court will deal with Terrorism, Genocide, Massacre, Racism, Bullying and Serious Misconduct—free of charge for the people. Justice is no longer a luxury; it is a requirement."

17. **THE TELECOM & CULTURAL SHIELD:** "We demand an end to the fraudulent 'Data Rip-Off' by Telecommunication giants. Governments must abolish monopolies and ensure that if a person pays for a month, they receive unblocked access for the full 30 days!." GUARDIAN

18. Furthermore, we enforce the Sovereign Cultural and Territorial Act. Ancestral lands are immune to taxation. 100% of mineral royalties must be paid into Sovereign Community Accounts. We will teach our own languages in our own Global Indigenous Academies and Culture!." Such as Schools, Colleges and Universities.

19. **THE FINAL ULTIMATUM: COME RAIN, COME SHINE:**

"I will never apologize for reclaiming what belongs to the people. Whether I am dead or alive, this mission will continue. To those who fear this change: do not panic; better relax and cooperate.

20. Imagine a world where the sounds of guns and wars are replaced by the laughter and happiness of secure families in Executive Free Houses. That is the (IGMV) mandate.

21. I remain your humble servant and the Champion of the Global Constitution.

22. **Waw Waw Waw!**

I thank you abundantly for your attention.."

His Excellency, Mr.Kidima Mubarak
