GUARDIAN

I am issuing this urgent alert to the public and a formal notice to the United Nations regarding an imminent threat to my life and liberty.

Reliable information indicates that Specific Criminal entities are Conspiring to kidnap and forcibly relocate me to the Seychelles Islands in the Indian Ocean.

The Suspects behind this Conspiracy remain the Same individuals and entities previously reported in my official Statements. They have recognized that other attempts to Silence the (IGMY) will fail, and they are now resorting to these extreme measures.

NOTICE OF ACCOUNTABILITY:

Let it be a matter of permanent record that the United Nations will be held fully accountable for any harm that comes to me. It is the fundamental duty of the UN and its member States to provide Security and Protection to those defending Human Rights and Global Sovereignty. Any failure to act in the face of these threats is a failure to uphold the UN Charter itself and the Universal Declaration of Human Rights (UDHR).

TO THE GLOBAL COMMUNITY:

I call upon you to rise up and remain vigilant. Do not let these Criminals move in the Shadows. My mission and the (IGMY) programs—including our Economic and Security mandates—must Continue whether I am dead or alive. No one is above the law.
