Distinguished Excellencies, VIP Colleagues, and Global Community,

THE NARRATIVE: A JOURNEY OF VISION AND SUPPRESSION:

1. The Origins of the Matooke Project (2006–2015):

In 2006, I initiated a vision to bridge the gap between Uganda and Australia by introducing Matooke (Green Raw Bananas) as a Sustainable food Source. At that time, importation was prohibited by the Biosecurity of Australia led by Hon Tony Burke who was abusing our food that had disease without evidence.

Address: 28 Mundford Street, North Beach WA 6020, allowing them to Continue illegal activities of Zooming into my house and hacking my phones with impunity against my will, as an act of Cover-up in favour of the offenders thus illegal.

For six years, I engaged in a relentless Struggle, Petitioning the Governments of Australia, Uganda, and in 2011, Her Majesty the late Queen Elizabeth of England ahead of her CHOGM visit to Perth Western Australia.

It was my persistence and after meeting with Some Liberal Party Official in power by then, that broke the barrier, leading to the Clearing of Matooke for import in 2013 and the arrival of my first Successful Consignment in September 2015, under my name as Founder, Managing Director, and Sole Trader.

Also I had a plan of opening up a Factory of Gonja in Kasese-Uganda so that can be imported into Australia. Furthermore, a plan of opening up more than Twenty Restaurants for Alkebulanian food in the best interest of the Australian Community.

To provide a good and much longed Services to the Alkebulanians, Asian and Australian Community in general. To promote Social Economic Transformation for both Uganda and Australia.

To improve Standards of Farmers involved in Matooke, maintaining Quality Supply of Matooke, Job Creation and maintaining Diplomatic relationship with our Counter Parts.

Unfortunately, due to Global Financial Crisis, I lost my business because American Dollar was higher over Australian Dollar. The State of Australia gave away my Matooke business to a Stranger without my Consent.

2. The Climate of Bias:

Despite the Success of this initiative—which has fundamentally Changed lives and enriched the trade landscape—I have been Subjected to Systemic obstruction. I have

GUARDIAN

Experienced Consistent "tough and rough" Conditions, particularly under Labor Party Political administrations in Power, Characterized by discrimination, the appropriation of my ideas, and a "Cover-up" bad Culture that Continues to this day. This includes ongoing Surveillance and harassment at my residence in North Beach, Western Australia.

3. The History of Ignored Petitions:

My attempts to Seek justice through official Channels have been met with Silence. I have Previously Submitted Petitions detailing the Economic Sabotage of my enterprise, including a claim of \$792,500 AUD as an example of damages incurred as previously indicated in the letter dated Tuesday 28th May, 2024, and Official list as per listed below:

Premier of Western Australia and Cabinet.

The Attorney-General of Western Australia.

The Minister Responsible for the Insurance Commission of Western Australia.

Your Excellency, Honourable Members and Honourable Ministers, (Protocols observed).

I STRESSED THAT, THIS COMMUNICATION IS IN DIRECT SERIOUS URGENT COMPENSATION CLAIM OF \$792,500 UNDER SPECIAL CIRCUMSTANCES AS LISTED ABOVE, WITHOUT FURTHER DELAY IN THE BEST INTEREST OF HUMAN RIGHTS VALUES AND TO PROTECT THE INTEGRITY OF THE COMMONWEALTH, GENERAL GOVERNMENT SECTORS UNDER FINANCE MATERIAL, NATIONAL AND INTERNATIONAL LAW AND FOR THE JUSTICE OF MY CAUSE.

These petitions have been ignored, dismissed due to a bad Culture of Negligence, Clever racism with a "fake Smiles," or buried under bureaucratic bias. This narrative of neglect is the exhibit of the Systemic injustice I seek to correct.

Australia's Economy is Struggling because of having Such leaders who are not interested in Supporting our Local Community to prosper in the best interest of promoting our nation's economy. Had the Government Supported my ideas, I couldn't have been in this bad environment. I was almost been killed by Georgia Rose Kelly's negligence on the road due to lack of Government Support for a better future.

II. THE MACRO VISION: ALKEBULAN AND THE IGMV MANDATE:

1. Restoration of Identity:

We formally reject the Colonial designation "Africa." Henceforth, the Continent is redesignated as Alkebulan (the "Mother of Mankind"). This is a reclamation of ancestral dignity and a foundational Step in our global reform.

2. The Governance Protocol (The Rolling Ball):

To eliminate the toxic Cycles of ethnic Conflict and power monopolies, we mandate the "Rolling Ball" leadership mechanism. Under the (IGMV) Global Constitution:

Leadership Shall rotate among all ethnic tribes via a transparent lottery.

This process is non-negotiable; no Single group Shall hold power indefinitely.

We prioritize Human Rights, which include the right to peace, the right to dignity, and the right to live free from the threat of intimidation, nuclear weapons, or ballistic missiles.

III. FORMAL DEMAND FOR RESTITUTION AND RECOGNITION:

To the Government of the Commonwealth of Australia and Relevant Authorities:

GUARDIAN

I hereby issue this Formal Demand for Intervention based on the following imperatives:

Immediate Recognition: I demand formal, Public acknowledgement as the Founder, Managing Director, and Sole Trader of the Matooke Project introduced from Alkebulan into Australia.

Financial Restitution and Royalties: The "bad Culture" of appropriating indigenous ideas without Compensation must cease. I demand that a Special Committee be established immediately to:

Calculate and grant me a Shareholder percentage of the proceeds from every kilogram of Matooke imported into Australia Since 2015 to the present day, and continuing into the future.

This compensation is a debt owed for the vision I pioneered.

Accountability: The exploitation of my work must end. I demand that the Current "Cover-up" operations cease. I am a humble Servant to the Global Community, and I insist on the right to enjoy the fruits of my God-given Common sense and vision.

IV. FINAL RESOLVE:

Let it be known that my resolve is absolute. I do not Stand alone; I stand with the truth of our ancestors and the aspirations of the (IGMV). If these demands for recognition and restitution are not met with positive action, the Global Community Stands ready to Claim what is rightfully ours in the name of Justice, Unity, and Happiness.

"Notice to Agent is Notice to Principal, Notice to Principal is Notice to Agent".

We remain humble Servants to the Global Community and Champion of the Global Constitution.

We look forward to hearing from your urgent positive response.

Signed by,

His Excellency, Mr. Kidima Mubarak Kim
