Despite clear evidence of political persecution and active threats to his life, the UN has deliberately refused to act. GUARDIAN

Let the record reflect that as of May 16, 2026: Unauthorized Home Confinement: His Excellency Mr.Kidima Mubarak is currently unable to leave his residence due to extreme insecurity and the presence of "Criminal Suspects" at Address: 28 Mundford Street, North Beach WA 6020, and Address: 32A Mundford Street, North Beach WA 6020, in direct Collaboration with a Tyranny and Clever Racist State of Australia.

Medical Obstruction: His Excellency Mr.Kidima Mubarak has been targeted by a suspected "poisoning". Due to the UN's refusal to provide security, he cannot seek life-saving medical testing (Blood Culture) at a hospital without risking a "Sacrifice" or kidnapping. "There is a possible interference with Poison Medical testing".

Political Persecution: This is a coordinated attempt to silence the Independent Global Movement Voice Project of "Executive Free Housing" and obstruct the 60% Resource Reclamation project for the Global Community.

DEMAND FOR IMMEDIATE INTERVENTION:

The "IGMV" hereby demands for Immediate Security Detail. The United Nations "must" deploy an independent protection unit based on our previous request upon his wishes to secure the residence and the exit of His Excellency Mr.Kidima Mubarak for urgent Medical attention in Morocco.

Safe Passage: Provision of armoured medical transport "OVERSEAS" to facilitate urgent poisoning toxicology, Blood Culture testing and treatment.

Formal Response: We demand for a formal written explanation for the 7-day silence following the previous ultimatum.

FINAL WARNING:

Failure to respond to this breach **within 24 HOURS** will confirm the UN's complicity in the "Clever" sabotage against His Excellency Mr.Kidima Mubarak.

The global Community will be notified that the UN is no longer a neutral body, but a tool for those who wish to kidnap and possibly assassinate a Global Leader who have sacrificed everything fighting for happiness and a better future in the best interest of the Global Community.

How long does it take to realise that a Global Leader, His Excellency Mr.kidima Mubarak's life is in danger?. Why should we keep begging for his Security and Protection?. Where is the United Nation's duty of care?.

"THE ALMIGHTY GOD IS WATCHING".

THE INDEPENDENT VOICE WILL NEVER BE SILENCED.

"Notice to Agent is Notice to Principal, Notice to Principal is Notice to agent"
