GUARDIAN

I appeal to global stakeholders and the international community to assist in facilitating my immediate transfer out of the country "to Japan" for specialized medical treatment before my condition worsens further.

It is now apparently clear that, "the United Nations and the Tyranny State of Australia" are permitting me to remain in this state of severe pain and hell-bent in wanting to see me die slowly in pain.

"How long does it take to evacuate a person who has been poisoned?".

My humble appeal to the Global Community is that, please rise up and Stop this madness of negligence and bias once and for all. Never allow the lungs of your Global leader His Excellency Mr.Kidima Mubarak to be affected by poison on your watch.

"Never allow Criminal Suspects at Address: 28 Mundford Street, North Beach WA 6020,and address:32A Mundford Street, North Beach WA 6020,protected by the Tyranny State of Australia, to continue telling lies about the status of their real parents, harassing and Psychologically torturing your Global Leader His excellency Mr.Kidima Mubarak and tarnishing his good reputation".

"Enough is enough".

There is a distinct possibility of asphyxiation or Cardiac arrest if action is not taken immediately to save my life.

If anything bad happens to His Excellency Mr.Kidima Mubarak, then, The United Nations and the Tyranny State of Australia "must" be held fully accountable.

"Notice to Agent is Notice to Principal, Notice to Principal is Notice to agent".

I remain humble Servant to the Global Community and Champion of the Global Constitution.

I look forward to hearing from your urgent positive action and response

BY ORDER OF:
