GUARDIAN

SUPREME FORMAL DECREE AND DECLARATION OF RESILIENCE.

You may be wondering why your Global Leader is silent. The reason is that I am going through a great deal, as the establishment is hell-bent on ensuring that I am eliminated and all my projects are destroyed on your watch. They never wished well and happiness.

You have witnessed how I have been tortured, harassed, defamed, and had my fundamental human rights violated on your watch, which is entirely illegal. You have heard everything said about me in an attempt to tarnish my good reputation, all caused by the agents of the establishment on your watch.

Please rest assured that, I will never give up fighting for the justice of our cause until my last breath. As we are all aware, history teaches us that so many good leaders have been assassinated on your watch.

Please make no mistake this time: if you want to be prosperous and happy, rise up and demand for your better future. It is on record that I am the only person who has sacrificed everything so that the Global Community "must" enjoy the fruits of our God-given land, mineral resources, petroleum, and gas for a better future and happiness.

This is the only opportunity left by having me on your side, and if you lose me, you will have to blame yourselves for the rest of your lives.

Please bear in mind that, we are not subjects nor slaves to anyone; the world belongs to all of us, and we must share equally in accordance with Articles 1, 2, and 29(1) of the Universal Declaration of Human Rights (UDHR).

GUARDIAN

Previous demands for 60% of Global wealth to each and every State are paramount. The only chance left against the establishment is to rise up and demand immediate "Executive free houses, Free Commercial Vehicles, etc." before it is too late.

Everything is achievable using the available resources within each Kingdom and State across the Globe. No more excuses; all my projects "must" be recommended immediately with no strings attached, in the best interest of the Global Community, its happiness and a better future.

IGMV MOTTO: Happiness, which can never be compromised.

LEGAL PRINCIPLE: Notice to Agent is Notice to Principal; Notice to Principal is Notice to Agent.

I remain a humble servant to the Global Community and a Champion of the Global Constitution.

I look forward to your urgent positive action and immediate response.

GIVEN UNDER MY HAND BY AUTHORITY OF THE PRESIDENCY OF (IGMV),

His Excellency, Mr. Kidima Mubarak,

Champion of Common Sense and Chairman of Alkebulan,

Author of the Independent Voice Book, the Global Constitution

Founder of Matooke Project in Australia from Alkebulan,

Founder, President, and Chairman of the Independent Global Movement Voice (IGMV).
