Distinguished Excellencies, VIP Colleagues, and Global Community,

GUARDIAN

SUPREME FORMAL DECREE FOR IMMEDIATE LEGAL ACTION BY THE GLOBAL COMMUNITY.

REVISION OF PREVIOUS DECREES AND HISTORICAL CONTEXT:

Reference is made to my previous Decrees regarding Crimes against Humanity, espionage and misappropriation of funds by **David Gallagher** and others which was contributed by the Global Community for a better future of His Excellency Mr. Kidima Mubarak a Global leader of the Independent Global Movement Voice (IGMV).

Countries most widely documented as enduring severe "Massacres and Genocide" have done so under the watch of the United Nations and the International Community. Where the United Nations and its members States faced severe Criticism and acknowledged institutional failures, notable examples include the **1994** genocide in "**Rwanda**", and the **1995 Srebrenica massacre in "Bosnia and Herzegovina"**. In both cases, United Nations Peacekeepers were present or stationed nearby but lacked the political mandate, resources, or will to prevent mass slaughter.

KEY HISTORICAL CASES OF UN FAILURE AND INACTION:

RWANDA 1994: An estimated 800,000 over 1 million Tutsi and moderate Hutus were systematically murdered over 100 days.

History teaches us that, The United Nations Peacekeeping mission (**UNAMIR**), led by **General Romeo Delleire** (1.3) was ordered not to intervene and had its troops numbers drastically reduced by the United Nations Security Council just as the genocide began.

The United Nations later formally acknowledged its collective failure to protect the population. Never theless, it has never provided financial Compensation to the victim's families or to the current Government.

BOSNIA AND HERZEGOVINA/SREBRENICA (1995):

More than 8,000 Bosniak Muslim men and boys were murdered by Bosnian Serb Forces in Srebrenica.

The town had been officially designated by the United Nations as a "safe area" under the protection of the United Nations Peacekeepers, who ultimately failed to defend the enclave or prevent the separation and execution of Civilians. Until this day families of the victims have never received compensation due to the negligence of the United Nations.

OTHER NOTABLE INSTANCES:

CAMBODIA (1975 – 1979): The Khmer Rouge killed as estimated 1.5 to 2 million people while the International Community and the United Nations largely remained paralyzed by Cold War geopolitics. No Compensation has ever been paid to the victims families.

DARFUR, SUDAN (2003 ONWARD):

Widespread massacres and systematic displacement occurred alongside delayed and restricted international protection, and recent assessments by the United Nations bodies continue to highlight ongoing atrocity crimes and risk indicators of genocide. No Compensation has ever been paid to the victim's families due to the United Nations Negligence.

GENOCIDE AND MASSACRE OF THE FIRST BLACK INDIGINOUS PEOPLES OF AUSTRALIAN:

Many scholars have argued that the British Colonization of Australia alongside the subsequent actions of various Australian governments and Individuals, constituted acts of genocide against "our ancestors" the First Black Indigenous Australians. Scholars have applied numerous definitions of genocide, including the intentional destruction of indigenous groups as defined in the 1948 United Nations Genocide Convention, and broader definitions encompassing Cultural genocide, ethnocide and genocidal massacres.

Historians have frequently described the near extermination of Indigenous Tasmanians, mass killings during the frontier wars, the forced removals of Indigenous Children from their families (now known as the stolen Generation) and policies of forced assimilation as genocidal. The United Nations fully recognizes that, there is a history of Colonial violence,

massacre, genocide and the forced removal of Children from the Black Indigenous Peoples of Australia. Nevertheless, to this day victims families have received no Compensation, nor recognition been embedded in the Constitution due to ongoing systematic negligence of the United Nations.

MASS MURDER AND EXTERMINATION OF THE BLACK INDIGENOUS PEOPLES IN AUSTRALIA:

When the British invaded Australia and established its first Australian Colony in **1788**, the Black indigenous population is estimated to have been **300,000** to more than one million people comprising about **600** tribes or nations and **250** languages with various dialects. Unfortunately, by **1901** the Black indigenous population had plummeted to just over **90,000** people, driven primarily by introduced disease which was brought by settlers, frontier violence, massacres and the disruption of traditional society.

In the 20th Century many indigenous people were confined to reserves, missions and institutions, and Colonial government regulations controlled almost every aspect of their lives. Thousands of Indigenous children of mixed heritage were forcibly removed from their families. There is undeniable evidence that the imperial, Colonial and Australian governments intended to destroy the Black Indigenous peoples in whole or in part and to create another race of Aborigines and others.

FOCUS ON MODERN DISADVANTAGE AND OBLIGATIONS:

We learn from history that, The United Nations reporting highlights contemporary crises, including disproportionate of indigenous incarceration rates, deaths in custody, and youth detention disparities.

TREATY OBLIGATIONS: While Australia ratified the 1948 Genocide Convention, International bodies often emphasize that states must transition from historical acknowledgement to active structural redress.

DOMESTIC TRUTH-TELLING AND RESISTANCE:

Frontier violence Mapping: Academic projects, such as the University of Newcastle's "Colonial Frontier Massacres", project have documented over

400 individual massacres resulting in the death of more than, **10,000** First Nations People.

STATE BASED INQUIRIES: The Yoorrook Justice Commission formally concluded that British Colonization in Victoria constituted genocide through Co-ordinated mass killings, Children removed, and Cultural erasure. Since filing my case to the United Nations, European Commission, and the International Criminal Court, no action has ever been taken against the State of Australia. **And until this day, the First Black Indigenous Peoples of Australia have never been recognized in the Constitution.**

Therefore, I formally demand that, the State of Australia **“must”** be compelled to file a defense regarding matters pertaining the recognition of our “ancestors” and other matters of Human Rights Violation, Genocide, Massacres, Torture and Murder.

APARTHEID ERA IN SOUTH AFRICA AND CONTINUED IMPUNITY:

The United Nations Condemned State-sanctioned violence and massacres (**such as the 1960 Sharpeville Massacre**) in South Africa caused by white People. Also the United Nations labeled apartheid a Crime against humanity. Unfortunately, certain perpetrators- white South African who fled South Africa to Australia, continue to practice clandestine form of apartheid in Australia with impunity. What David Gallagher is doing against me, by dehuminsing me, defaming me, harassing and tagging my private parts on the engine search on the watch of the authority and the United Nations illustrates very clearly about my point.

SPECIAL ALLAGATIONS AND LEGAL DEMANDS:

The actions committed against me by David Gallagher, including severe dehumanization, defamation, harassment, and the malicious publishing of private parts online under the watch of authorities clearly demonstrates my point that the actions of **David Gallagher** constitute severe offences of treasonous, Terrorism and Crimes against humanity under the Rome Statute of the International Criminal Court and Geneva Convention.

Due to the high level of bias and institutional cover-up in favour of the offenders, my prior complaints have been unfairly ignored as “rhetoric without achieving anything” I regard this act of negligence as systemic bullying, offensive and an insult to human dignity and an infringement on fundamental rights. I demand that David Gallagher “must” be arrested and be charged for his Crimes regardless of his status to the authority and International Courts.

THE INCARCERATION OF THE LEADER OF (IGMV) H.E.MR.KIDIMA MUBARAK:

Based on the evidence available in the public domain, there is no doubt to believe that His excellency Mr.Kidima Mubarak is under direct attack by His Excellency Mr. Vladimir Putin, David Gallagher and his Children Ben Kaiser and a female Girl with their Grandpa Bruce at Address:28 Mundford Street, North Beach WA 6020,these individuals are engaged in unlawful harassment, Torture, and severe infringements upon private life, degrading the leaders dignity by circulating private imagery online to the extent of dehumanizing (Stripped of dignity) by tagging his private parts on the Search engine across the Globe thus illegal. More importantly, stealing all the money contributed by the Global Community meant for His Excellency Mr.Kidima Mubarak a Global Leader of (IGMV) on your watch. “Shame”.

Whereas the Crimes includes Terrorism, Espionage, Incarceration, Crimes Against Humanity, such as attempting murder and Fundamental Human Rights violations on the watch of the United Nations, Australia State, European Union, International Criminal Court (ICC) and the Alkebulan in direct contravention of article 5 and 12 of the Universal Declaration of Human Rights.Aricle 17 of International Covenant on Civil and Political Rights. Article 7 of the Rome Statute under the International Criminal Court such as Geneva Convention.

DIRECT FORMAL DEMANDS REGARDING THE TREATMENT OF A GLOBAL LEADER:

I demand that, the Global Community must rise up and appoint a team of International Lawyers/Counsel to hold accountable and stop the United Nation's negligence once and for all. There must be immediate injunction against the above mentioned Suspects well documented by the International Criminal Court and **"must"** be prevented from committing further Crimes against a Global Leader His Excellency Mr.Kidima Mubarak pursuant to **article 1, 2, 7,8,28 and 29** of the Universal Declaration of Human Rights, and **article 46 of the Rome Statute** of the International Criminal Court.

Institutional accountability: It is a shame that, The United Nations, The European Union, Australia State, Russia Federation, International Criminal Court (ICC) and the Alkebulan Commission/Parliament have allowed the abuse against His Excellency Mr.Kidima Mubarak a Global Leader of the Independent Global Movement Voice (IGMV) to continue on your watch. No leader should ever endure such act of evil on your watch. The United Nations and International Criminal Court (ICC) **"Must"** be held to account for negligence, bias and cover-up in favour of the offenders, and for allowing these ongoing abuses to continue under their watch.

FINAL STATEMENT: THERE WILL NEVER BE ANY APOLOGY TO CRIMINAL SUSPECTS:

I reaffirm my previous Decrees that, there will never be an apology issued to Criminal Suspects because I have nothing to apologise about. Please bear in mind that, illegality can never be considered legal. Unlawful acts can never be sanitized or converted into lawful conduct.

I have been incarcerated in my house alone for many years. I haven't been in the public eye for many years. Having endured isolation and confinement while being kept out of the public eye for years, I reiterate my previous Decree that anyone attempting to force an apology or engage in harassment **"must"** be arrested and charged. The era of playing cheap politics, harassment, envy, malice and propaganda is over.
