SUPREME DECREE AND DEMAND FOR IMMEDIATE AND MANDATORY APPROVAL OF FREE (IGMV) MINI BUS -COMMERCIAL VEHICLES FOR PROSPERITY.

I, His Excellency Mr. Kidima Mubarak, Founder, President, Chairman, and Global Leader of the Independent Global Movement Voice (IGMV), hereby introduce to you the newly proposed design for the (IGMV) Executive Minibuses, incorporating the requested features and the prominent branding for your immediate approval for prosperity in the best interest of the Global Community.

This illustration shows the vehicle from two angles. The front-three-quarter view highlights the reinforced grille with integrated solar array elements, heavy-duty bull bars, and the streamlined, roof-mounted storage pod that includes a digital display featuring the large (IGMV) logo.

You can also see the **"TRI-FUEL HYBRID"** badging and the large panoramic windows. The top-down cutaway view provides a clear look at the interior layout, featuring the **"14 leather executive seats"** arranged with fold-down tables, ample legroom, and the designated secure luggage compartments at the rear. The rear angle also features the (IGMV) branding on the tailgate.

SECOND REPORT:

Executive Minibus Architecture and Specifications

1. Exterior and Powertrain

Tri-Fuel Hybrid Propulsion: Integrated setup utilizing Petrol, Roof-Mounted Solar Collectors, and an Automated Regenerative Battery System for low energy consumption.

Storage Systems: Integrated low-profile lockable roof cargo box alongside an expansive rear boot area dedicated to high-volume luggage.

Vehicle Protection: Heavy-duty front and rear bull-guards protecting core structural assemblies.

2. Passenger Cabin and Interior Amenities

Seating Layout: **14 individual**, executive-grade adjustable leather seats with ergonomic recline and lumbar support.

Climate and Privacy: Multi-zone adjustable passenger area air fans complemented by full-coverage internal window privacy curtains.

Safety Integration: Engineered structural chassis designed to meet strict 5-star safety ratings.

Here is a unit cost breakdown and fleet budget for the (IGMV) **14-Seater Executive Tri-Fuel Minibus:**

Single Unit Cost Breakdown:

Base Chassis and Vehicle Frame: \$85,000 USD

(Commercial executive minibus chassis, 5-star safety rating structure, reinforced frame)
