UN Transmittal Dossier - Alkebulan 1,000-Year Hadzabe Dual-Campus Complex.

UNITED NATIONS TRANSMITTAL DOSSIER.

Official Submission Packet for Global Autonomous Infrastructure.

Project Title: Alkebulan 1,000-Year Hadzabe Dual-Campus Complex.

Directing Authority: His Excellency Mr. Kidima Mubarak, Founder, President, Global Leader, and Chairman of the Independent Global Movement Voice (IGMV).

Target Beneficiaries: Hadzabe Community and Indigenous Peoples Across the Globe.

Operational Mandate: Public Domain / Zero-Cost Universal Access,

1. EXECUTIVE SUMMARY AND CORE MANDATE.

This dossier presents the official structural, architectural, utility, and financial framework for the Hadzabe International University and College Dual-Campus Complex in Alkebulan.

Designed to endure for a millennium without primary structural degradation, the Complex establishes a global baseline for Indigenous language preservation, advanced linguistic AI research, and Sovereign academic autonomy.

Universal Free Access: Operates under a Non-commercial, public-domain mandate. All academic programs, Executive scholar housing, and Campus infrastructure are provided at zero Cost to Scholars, elders, and visitors.

1,000-Year Life-Cycle Engineering: Built utilizing bedrock-anchored piling, bio-ceramic reinforced Columns, and earth-toned geopolymer masonry engineered to withstand

natural erosion and seismic events for over ten Centuries.

Off-Grid Autonomy: Sustained entirely by an integrated 100+ MW perovskite solar array field, Solid-state battery storage vaults, and zero-discharge atmospheric water harvesting infrastructure, eliminating municipal dependence.

2. COMPREHENSIVE ARCHITECTURAL AND SPATIAL DIRECTORY.

A. Hadzabe College Pavilion (Foundational and Trade Sector).

A sweeping two-Story horseshoe-shaped layout framing a Central open-air amphitheater designed for oral history Storytelling and Community gatherings.

Features hand-compressed geopolymer block walls in warm earth tones, overhanging green roofs for natural micro-climate insulation, acoustic oral heritage vaults, and vocational trade workshops.

B. Hadzabe University Grand Hall (Advanced Research Sector).

A monumental four-story neoclassical quadrangle centered around grand bio-ceramic colonnades and vaulted ceilings.

Houses a 500-seat international diplomacy auditorium with real-time interpretation booths, AI audio-restoration suites, digital language preservation laboratories, and executive research offices.

C. Executive Scholar Residential Towers.

Twin 8-story residential towers accommodating over 2,500 resident academics, elders, and

international scholars across 250 fully furnished, self-contained apartment suites. Utilizes vertical biological micro-algae facades for air purification, low-emissivity photovoltaic windows, and private shaded balconies.

D. Subterranean Parking and Autonomous Logistics Hub

A 3-level subterranean concrete vault situated beneath the central plaza deck, anchored directly into bedrock. Provides secure underground parking for 5,000+ vehicles, integrated wireless EV induction charging grids, automated logistics handling, and primary energy storage vaults.

3. INTEGRATED PROJECT BUDGET AND CAPITAL ALLOCATION.

The total capital expenditure for the complete construction, engineering, utility grid setup, and initial commissioning of the 1,000-Year Dual-Campus is estimated at \$185,000,000 USD, broken down as follows:

Project Component.

Detailed Technical and Architectural Scope Estimated Cost (USD)
