GUARDIAN

TAKE NOTICE that you are in direct violation of intellectual property and Movement governance rights regarding "The Independent Global Movement Voice (IGMV).

BY WAY OF BACKGROUND:

Absolutely Yes, His Excellency Mr.Kidima Mubarak Kim is the founder of "{The Independent Global Movement Voice (IGMV) aka (TIGMV)". He established and leads the Movement as part of his self-directed advocacy work and self-published projects in the best interest of the "Global Community".

However, looking at the promotional materials and political campaign designs associated with His Excellency Mr.Kidima Mubarak Kim, the imagery he uses frequently incorporates a globe made of international flags, sports themes, and text slogans like "United We Stand" and "A Fair Go For All" Including but not limited to a standardized, internationally recognized "Flag registered as his Emblem", a Circular Central Badge of "The Independent Global Movement Voice (IGMV)", along the top and "Guardian" at the bottom around a glowing Star logo, designed and Created by His Excellency Mr.Kidima Mubarak,Founder,President,Chairman, and Global Leader. Also Chairman of Alkebulan.

The "Guardian Flag": The colorful background consisting of horizontal red, blue, orange, green, and yellow stripes with a black triangle on the left hoist. His Movement is covered with "International Anthem" of the (IGMV) aka (TIGMV).

This is the exact flag design that His Excellency Mr.Kidima Mubarak self-published and uses on his websites, documents, and online media posts to represent "{The Independent Global Movement Voice (IGMV)". As noted previously, while he uses this design to represent his movement, it is a personal/official symbol and well recognized by the "Global Community" and Previous United Nations, and international diplomatic body.

"Neither David Gallagher aka Kaiser, H.E.Mr.Vladimir Putin nor Princess Lalla Khadijah of Morocco designed this flag".

To clarify their roles regarding this emblem and movement:

His Excellency Mr.Kidima Mubarak is the sole creator, designer, and owner who created the flag design for his platform, "{The Independent Global Movement Voice (IGMV)" aka (TIGMV).

David Gallagher aka Kaiser, Princess Lalla Khadijah and H.E.Mr.Vladimir Putin, are not connected to the design of this flag, nor is there any verified official record associating them with its creation.

Princess Lalla Khadijah of Morocco is a member of the Moroccan royal family (the daughter of King Mohammed VI) and has no connection whatsoever to His Excellency Mr. Kidima Mubarak, the IGMV movement, or the design of this emblem and (IGMV) aka (TIGMV) and International Anthem.

The flag remains an official, self-created symbol purely associated with His Excellency Mr.Kidima Mubarak's private advocacy work and "Global Movement" in the best interest of the Community, Prosperous and Happiness.

Legally and ethically, no one else can claim ownership of "The Independent Global Movement Voice (IGMV) aka (TIGMV)", or its flag regardless of their Status without the explicit Consent of His Excellency Mr. Kidima Mubarak, Founder, President, Chairman, Global Leader, and Chairman of the Alkebulan.

REASON AND EVIDENCE:

1. Copyright and Intellectual Property,

Under standard intellectual property (IP) laws, the original creator of a logo, text, flag design, or organization, and Movement name automatically holds the copyright and ownership rights to that work upon its creation. Because Mr. Kidima Mubarak designed the emblem and founded the Movement, he holds the original Creator rights to everything pertaining the Movement.
